

# DECLARATION OF CONFORMITY

## REACH and RoHS

### REACH

**Registration, Evaluation, Authorisation and Restriction of Chemicals  
European Union regulation Nr. 1907/2006 of the European Community**

Trimos SA, manufacturer of precision measuring instruments, sells equipments compound of mechanical and electric elements, which, during normal use, do not produce chemicals substances. Therefore they aren't subject to REACH registration requirement of EU.

### RoHS

**Restriction of Hazardous Substances  
EU Directive 2011/65/EU (RoHS2) and EU Directive 2015/863/EU (RoHS3)**

The products manufactured by Trimos SA comply with the maximum concentrations of all listed hazardous substances and therefore are in accordance with the RoHS directives of the European Union.
